County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works
Armand Boutte, Development Services Division

VIA: Douglas A. Rion, County Surveyor

DATE: 6/17/2014

SUBJECT: The following map has been received and has satisfied all the conditions of approval that were established in the public hearing on the tentative map: Parcel Map CO 06-0088, a proposed subdivision resulting in 4 lots by Zaca Street 21, LLC, in the community of Templeton; and act on the attached resolution to accept the relinquishment of ingress and egress. District 1.

RECOMMENDATION

It is recommended that the Board:

- A. Approve Parcel Map CO 06-0088, a proposed subdivision resulting in 4 lots, by Zaca Street 21, LLC; and
 1. Approve the attached resolution to accept the relinquishment of ingress and egress.

DISCUSSION

The subject map has satisfied all the conditions of approval that were established in the public hearing on the tentative map. The map was processed by the County Planning Department with input from County Public Works, County Environmental Health, County Parks, the Air Pollution Control District, the Templeton Area Advisory Group, Templeton Community Services District, Templeton Fire, Templeton School District, Agricultural Commissioner and the California Department of Transportation (Caltrans).

At the August 6, 2007 public hearing, the Subdivision Review Board granted tentative approval to the proposed subdivision. All proposed real property divisions are subject to a number of conditions of approval. The project owner has satisfied their conditions.

The Real Property Division Ordinance (Title 21 of the San Luis Obispo County Code) requires that when the conditions of approval have been met, and when an adequate parcel map that is substantially in conformance with the design of the approved tentative map has been submitted to the County Surveyor, the County Surveyor will transmit the map with his approval and certification to the County Clerk awaiting your Board's approval to file the map. Section 21.06.050 of the County Code

requires your Board to approve the map if it is determined to be in conformity with the Real Property Division Ordinance and the Subdivision Map Act. In addition to map approval, your Board must also act on the attached resolution to accept the relinquishment of ingress and egress.

OTHER AGENCY INVOLVEMENT/IMPACT

The Clerk is to hold the map until your Board approves it. The Clerk also certifies the Board's approval, arranges receipt of the recording fee and after the signatures and seals have been affixed, transmits the map to the County Recorder. The County Recorder certifies and files the map as prescribed by the Subdivision Map Act and records the approved resolution.

FINANCIAL CONSIDERATIONS

All costs for examination and certification of the map by the County Surveyor are paid by the project owner(s).

There are no other costs associated with this action.

RESULTS

Approval of the recommended action will allow the subdivision map to be filed in the office of the County Recorder.
